Subject: Cancellation Feedback
Date: Tuesday, December 14, 2021 11:29:18 AM

Good Morning,

As a result of the reminder calls placed yesterday, the MPPDC Commission meeting for tomorrow, December 15th has been **CANCELLED**.

The Regional Dredging Program continues to be an important topic of discussion on the meeting agenda. The next discussion will be centered around the financial aspects of this program and is too important to miss so please plan to be in attendance in January.

On behalf of the MPPDC Chairman and Staff, we wish everyone a safe and wonderful holiday and look forward to seeing everyone in the New Year!
