With funding through the Virginia Coastal Zone Management Program the Rural **Coastal Planning District** Commissions (i.e. Middle Peninsula, Accomack-Northampton, and the Northern Neck) worked to create a website that draws visitors and patrons to water trails throughout rural Virginia. Explore region water trail maps that connect you to access, historical and cultural assets of the Middle Peninsula.

This project, Task 72, was funded by the Virginia Coastal Zone Management Program at the Department of Environmental Quality through Grant FY17 #NA17NOS4190152 of the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, under the Coastal Zone Management Act of 1972, as amended.
